

# EXTERNAL EXAMINERS

| Name                                                     | University/Organisation                                   | Course                                                             |
|----------------------------------------------------------|-----------------------------------------------------------|--------------------------------------------------------------------|
| <b>SCHOOL OF BUSINESS</b>                                |                                                           |                                                                    |
| Prof Mark Gabbott                                        | Monash University, Australia                              | Diploma in Marketing                                               |
| Prof Geoff Norman Soutar                                 | University of Western Australia                           | Diploma in Business Administration                                 |
| Gary Xu Xinzhong                                         | Guanghua School of Management, Beijing University, China  | Diploma in Banking and Financial Services                          |
| Prof Fred Zandpour                                       | California State University, USA                          | Diploma in Media and Communication                                 |
| <b>SCHOOL OF CHEMICAL &amp; LIFE SCIENCES</b>            |                                                           |                                                                    |
| Philip John Marriott                                     | RMIT University, Australia                                | Diploma in Chemical Process Technology (Industry Chemistry Option) |
| Neville A McBrien                                        | University of Melbourne, Australia                        | Diploma in Optometry                                               |
| Gretna Joan Laurie                                       | The Michener Institute of Applied Health Sciences, Canada | Diploma in Medical Technology (General Medical Technology Option)  |
| Philip John Barlow                                       | National University of Singapore                          | Diploma in Chemical Process Technology (Food Technology Option)    |
| Freddy Y C Boey                                          | Nanyang Technological University,                         | Diploma in Chemical Process Technology (Polymer Technology Option) |
| Mostafa Barigou                                          | University of Birmingham, United Kingdom                  | Diploma in Chemical Engineering                                    |
| Edward J Woods                                           | University of Leeds, United Kingdom                       | Diploma in Biotechnology (General Biotechnology Option)            |
| <b>SCHOOL OF DESIGN &amp; THE ENVIRONMENT</b>            |                                                           |                                                                    |
| Prof Philip Goad                                         | University of Melbourne, Australia                        | Diploma in Architecture                                            |
| Craig Langston                                           | Deakin University, Australia                              | Diploma in Property Development and Facilities Management          |
| Andrew Deeks                                             | University of Western Australia                           | Diploma in Civil and Structural Engineering                        |
| Philip Chan Chuen Fye                                    | National University of Singapore                          | Diploma in Property Development and Facilities Management          |
| Prof Fwa Tien Fang                                       | National University of Singapore                          | Diploma in Civil and Structural Engineering                        |
| <b>SCHOOL OF ELECTRICAL &amp; ELECTRONIC ENGINEERING</b> |                                                           |                                                                    |
| Prof Michael Davies                                      | University of British Columbia, Canada                    | Diploma in Electrical and Computer Control Engineering             |
| Assoc Prof Kam Chan Hin                                  | Nanyang Technological University, Singapore               | Diploma in Electronics, Computer and Communication Engineering     |
| Prof Koh Soo Ngee                                        | Nanyang Technological University, Singapore               | Diploma in Information Communication Technology                    |
| Prof David Parish                                        | Loughborough University, United Kingdom                   | Diploma in Computer and Network Technology                         |

| <b>Name</b>                                                 | <b>University/Organisation</b>                 | <b>Course</b>                                 |
|-------------------------------------------------------------|------------------------------------------------|-----------------------------------------------|
| <b>SCHOOL OF INFO-COMMUNICATIONS TECHNOLOGY</b>             |                                                |                                               |
| Prof Antony James Eddison                                   | University of Newcastle,<br>Australia          | Advanced Diploma in<br>Multimedia Development |
| Prof Paul Anthony Bailes                                    | University of Queensland,<br>Australia         | Diploma in Information Technology             |
| Assoc Prof Peter Green                                      | University of Queensland,<br>Australia         | Diploma in Business<br>Information Technology |
| Derek Cheung Fook Wah                                       | City University of Hong Kong,<br>HK SAR, China | Diploma in Information Technology             |
| Dr Derek Simpson                                            | University of Teesside,<br>United Kingdom      | Diploma in Multimedia Technology              |
| Michael Worthington                                         | California Institute of the Arts,<br>USA       | Diploma in Creative Media Design              |
| <b>SCHOOL OF MECHANICAL &amp; MANUFACTURING ENGINEERING</b> |                                                |                                               |
| Assoc Prof Ian H Marshall                                   | Monash University, Australia                   | Diploma in Mechanical Engineering             |
| Prof John R Page                                            | University of New South Wales,<br>Australia    | Diploma in Aeronautical Engineering           |
| Assoc Prof Michael Lau Wai Shing                            | Nanyang Technological University,<br>Singapore | Diploma in Mechatronics                       |
| <b>SINGAPORE MARITIME ACADEMY</b>                           |                                                |                                               |
| Dr James J McDonald                                         | Massachusetts Maritime Academy,<br>USA         | Diploma in Marine Engineering                 |
| Prof Tan Soon Keat                                          | Nanyang Technological University,<br>Singapore | Diploma in Maritime Transportation            |
