

# Freshman Orientation Programme 2024

## School of Mathematics & Science

**Welcome Message by Ms Chao Yunn Chyi**  
**Director – School of Mathematics & Science**

Dear PFP Students,

Welcome and congratulations on making **SP** your choice polytechnic for the Polytechnic Foundation Programme (PFP).

In this one-year through-train programme, there will be plenty opportunities for you to discover your passions and enrich your learning experiences. Regardless of the course you will pursue, PFP@SP is designed to build a strong foundation for your future studies and work.

The Freshman Orientation is a platform to get you to familiarise with polytechnic life and environment via games & activities with your peers and lecturers. Start your SP experience with this fun- filled Freshman Orientation and forge new friendships as you assimilate into our vibrant SP campus life.

Warmest Regards,  
Chao Yunn Chyi  
Senior Director, Common Core Cluster /  
Director, School of Mathematics and Science

Dear freshman,

Welcome to SP! We have many activities in store to make your orientation more enjoyable and meaningful.

Have a wonderful FOP week! 😊

*Psst...* If you are lost, please approach our information booth located in front of SP Convention Centre (SPCC) for help.

## About the School

The School of Mathematics & Science (MS) offers Polytechnic Foundation Programme (PFP) and SP Common Core Curriculum (CCC). We offer modules in mathematics, physics, statistics, IT, programming, AI, data science and analytics. We also offer part-time Specialist Diplomas and short courses in data science and analytics. In MS, we strive to build a strong foundation in math and science and equip our students with core skills to thrive in their disciplines and prepare them for lifelong learning and evolving industry needs.

## About Polytechnic Foundation Programme

What is **POLYTECHNIC FOUNDATION PROGRAMME (PFP)**?

The PFP is a one-year programme specially designed for the top 'N' Level (Academic) cohort. Instead of continuing with your 'O' Level examinations in Secondary 5, you can join SP as part of this programme to prepare yourself for your pre-selected diploma course. When you enrol in the programme, you get a provisional place in SP, which means that you will need to pass a set of modules in the foundation year in order to progress onto the first year of your diploma course. But not to worry, you will be guided by a dedicated team of SP lecturers who will do their best to help you excel during the foundation year.
