CET Curriculum

Short Course

EEE launched a short course in Solar Photovoltaic (PV) System Planning, Design and Installation to cater to increased industry demand for skilled manpower in solar PV, given the increasing deployment of solar PV systems in Singapore's drive towards a greener and cleaner nation.

Career Conversion Programme (CCP)

CCPs seek to reskill Singapore citizens or PRs to take on redesigned job roles or new jobs in growth areas, while providing companies with funding for course and salary support. Read on more about the CCPs that EEE has to offer.

Happenings @ EEE

Regional Industry Networking Conference (RINC) 2022

Themed **Energy Sustainability and Innovation**, RINC 2022 was a huge success with over 1200 local and international guests attending. Apart from two panel sessions, another key feature was the launch of SP-Sembcorp and SP-CHINT collaborations by Guest-of-Honour, Senior Minister of State Dr Amy Khor.
